

Accessibility Statement

The New Jersey Association of Conservation Districts (NJACD) and New Jersey Envirothon are committed to making the information on this website accessible to as many people as possible.

Conformance status

The Web Content Accessibility Guidelines (WCAG) provide guidance for making web content more accessible to people with disabilities. Accessibility is an ongoing effort. NJACD strives to meet WCAG 2.1 Level AA standards so that everyone can access the information shared on this website as fully as possible.

The website is partially conformant with WCAG 2.1 Level AA, which means that some content may not yet meet every part of the standard. Accessibility can be affected by limitations in the website platform, its components, or third-party tools and embedded content. NJACD strives to identify these limitations and, where feasible, provide the affected information through an alternative method.

This website was last audited for accessibility on September 30, 2026.

Feedback

We welcome feedback about the accessibility of the NJACD and New Jersey Envirothon website. If you encounter an accessibility barrier or need information in another format, please contact us:
